

## Dog Walker Watch

### A Crime Awareness Program Exclusively for Highland Meadows Dogs & Their Humans!

Boomer

There are over 75 million dog walkers throughout the USA and if you are one of them, you'll want to join this new Highland Meadows Petwatch program! You and your dog(s) will serve as eyes and ears for the protection of our streets and homes. Who knows our neighborhood better than the dogs who walk their humans regularly! Now, each pooch will have a new red Dog Walker Watch kerchief and their humans—instead of wearing headphones and listening to music, talking on the phone, or generally not paying attention to what is happening—will have the distinct and valuable task of helping to protect our homes and residents.

#### As a dog owner, what is involved and how does one join? *It's so easy!*

**Complete the items on the Membership Form and return your responses as soon as possible.**

**Membership total will have a bearing on where and how soon we will meet for training and begin our program.**

- ▶ Attendance is required at a 1-hour training session where members learn what to watch for when dog walking and how to report to 911. You will be contacted soon with meeting details.
- ▶ This program requires no commitment beyond an individual's regular dog walking routine! Walk as you always do with your dog(s); choose the times you'd like to walk—times can be flexible—no set routine, number of walks, or specific routes are required. There is no one to link up with or report to. Take a short walk or a long walk; it's up to you and your dog.
- ▶ Upon returning home from each walk, complete a short log that will be turned in periodically to Petwatch. This will help the Dallas Police Department and our neighborhood association gauge the effectiveness of the program and make decisions regarding its long-term implementation. Logs can be dropped off at an announced location or scanned and sent by email.
- ▶ A 1-time membership fee of \$10 is required by the training date. This helps offset the costs of the red kerchiefs worn by the dogs while walking. This \$10 fee will provide walkers with one kerchief for each dog, up to 3. If 4 or more kerchiefs are needed, the fee is \$15. Fees can be paid through our website to PayPal, mailed to our Highland Meadows Neighborhood Association, PO Box 38437, Dallas TX 75238, or turned in at a training session (*probably the most convenient*). Kerchiefs will be distributed at the training session.

Scan and email your responses to the items on the Membership form to: [petwatch@highlandmeadowsna.org](mailto:petwatch@highlandmeadowsna.org).  
or you may contact Petwatch for a pick-up.
